

# Into Your Dreams

With Ally the Turtle

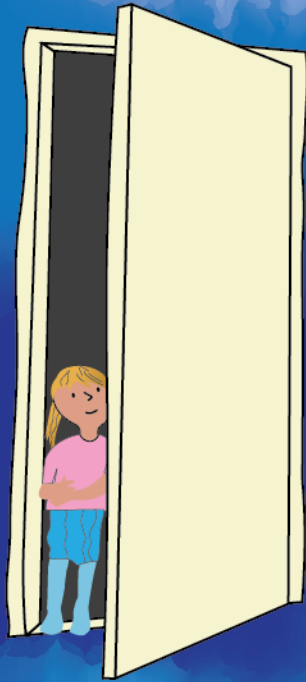

Illustrated by: Austin Connolly

**From the beach of sheets  
to the sea of covers**

We can move all over,  
looking to discover

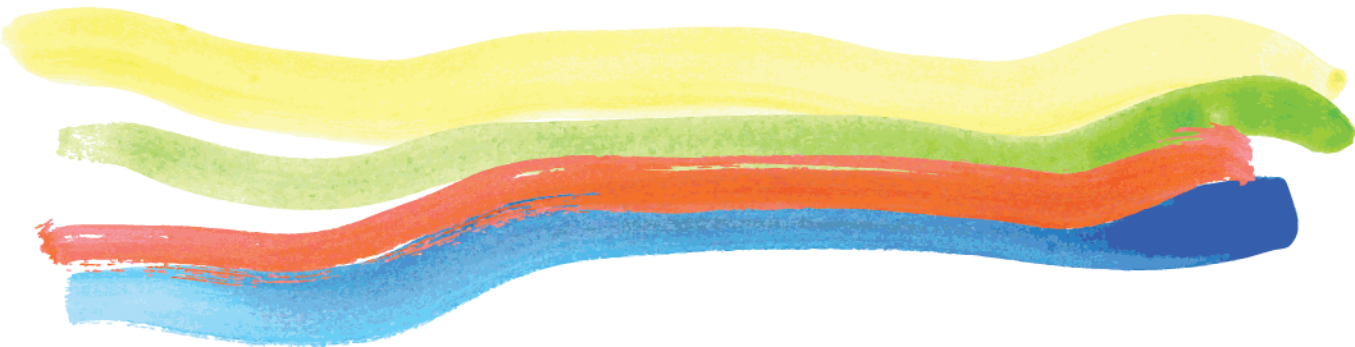

When the sun goes down,  
we will be all right

Because I will provide  
the perfect light

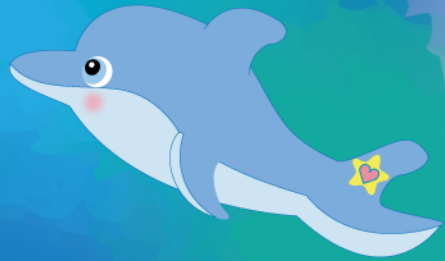

Helping others is the way to be  
Here for you until we're  
asleep by the sea

**LOVE & LIGHT**
